

As one of the world's largest manufacturers of name badges it gives us a great deal of pleasure to bring to you the new Corporate Insignia brochure showing a full range of our company's products.

Every year over 6 million personnel in leading companies throughout the world are wearing Corporate Insignia badges.

Respected for the quality of our products and for the standard of service that we offer, we continue to gain new customers including many international brands with multiple locations all over the world. This has been achieved through hard work, an appreciation of our customers ever changing needs and offering the best products using the latest technology.

Whatever your market deliver your message with style and quality the Corporate Insignia way.

RE-USABLE RANGE

Simple and inexpensive name changes, using our patented "Supertex" system.

Names are printed onto clear adhesive labels from a suitable Brother labeling machine, which can then be added and removed as required.

Choose a full colour print or an "Elite" 3-D logo.
